wonderful labor-saving Cotton Press. In the last two years I have sold this Press to many old experienced cotton planters, to whom it has given such universal and entire satisfaction that it would now be superfluons in me to say more than pledge myself that, this year, the Cheek Cotton Press shall be fully equal, If not superior, to those I sold last year. Suffice it to say, that in balling on this press you are rid of much labor, many difficulties, and a vast amount of annoyance that you have when balling on any other press, to say nothing of the humbing tricks.

All orders for the Cheek Cotton Press must be addressed to Fonn, Poster & Co, Memphis, Tennessee. FRIEDMAN BROS.. 295 Main street, Memphis 1. O. O. F. MUTUAL AID ASSOCIATION Office, 222 Main St., Memphis,
